A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Native Village of Tetlin	=	Village
Alaska Native Tribal Health Consortium	=	ANTHC
Financial Assistance Sub-Award	=	FSA

On August 21, 2002, the ANTHC and Village executed an FSA authorized by the Denali Commission to construct a new health clinic in Tetlin, Alaska. The project was funded by the Denali Commission, and also included Tribal matching funds. An Amendment No. 1 to the FSA was executed on October 10, 2003, to correct a minor accounting error.

B. AMENDMENT TO REVISE PROJECT BUDGET AND FUNDING SOURCES TABLE

To pay for design costs, the Denali Commission has added \$41,793 to its previous \$671,424 of funding (identified in Amendment No. 1). Total Commission funding therefore equals \$713,217. The additional funds are derived from Denali Commission Financial Assistance Award Project No. 0071-DC-2002-I24, Amendment No. 1, dated September 2002. The Tribal match of \$126,576 has not changed.

The scope of work has not changed.

A revised Project Budget and Funding Sources Table is provided below.

Project Budget and Funding Sources

Job Type	Scope of Work	Qty	Units	Unit Cost	Tribal Match FY02	Denali Com. FY02	Total
M-CL	Design new health clinic	1	LS	41,793	0	41,793	41,793
M-CL	Construct new health clinic	1	LS	748,265	126,576	621,689	748,265
Construction Subtotal					126,576	663,482	790,058
* Project Operations					0	49,735	49,735
Total Project Cost					\$126,576	\$713,217	\$839,793

* A project operations expense of 8% was deducted from the previous Denali Commission funding amount of \$671,424 (see Amendment No. 1). The expense has never been deducted from Tribal matching funds, nor has it been deducted from these \$41,793 of design funds. The numbers in this table have been rounded to the nearest dollar.

This document constitutes Amendment No. 2 to the FSA for the new health clinic in Tetlin, Alaska. All other sections of the original FSA and/or Amendment No. 1 remain in effect as agreed upon and executed.

MEMORANDUM

DATE: December 2003

FROM: Environmental Review Officer

SUBJECT: Native Village of Tetlin – Environmental Review
Amendment No. 2, Project No. AN 02-G34

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in July 2002 with respect to the proposed sanitation facilities construction at Tetlin, Alaska under Project No. AN 02-G34. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
